### SPRING BIRDING (15) on location

Wednesdays, 9am-11am (Please note: May 7 may go to 12:00pm)

2 weeks only April 30 and May 7

**April 30** We will meet at the Saratoga Monument parking lot in Victory. Burgoyne Rd, County Route 338, Schuylerville, NY 12871. From the Monument parking lot, we will walk through Prospect Hill Cemetery to Victory Woods and back, with total distance a mile and a half.

**May 7** We will meet at the Saratoga National Historic Park in the Visitor Center parking lot located in the northwest corner of Saratoga Battlefield, 648 Route 32, Stillwater, NY 12170. This day will likely be more than 2 hours as we'll go to different sites within the park. Bobolinks (a small New World blackbird) will be highlighted in the Stop 2 area that we can drive to. The park's checklist and a fun handout pertaining to bird vocalizations will be handed out.

**Leader:** Linda White, Biological Technician at the Battlefield, is looking forward to meeting everyone and passing on bird id, behavior, song, and the passion for observing birds in their natural habitat. She has worked at the Battlefield for over 40 years and was a founding member of Southern Adirondack Audubon.
