As we approach the end of our third full year as an independent organization, the **Academy for Lifelong Learning Saratoga Region, Inc. (A.L.L.)** is thriving—thanks to you. Together, we continue to fulfill our mission of providing enriching educational and social opportunities for our members.

Through community classrooms, Zoom, and outdoor venues, the Academy offers a wide range of courses designed to keep minds active and connections strong. Our membership continues to grow, and we remain dedicated to offering the high-quality programs you've come to expect. None of this would be possible without your generosity. Your donations help us secure classroom space, keep membership fees affordable, and support our volunteer course leaders who make every class special.

Each year, we celebrate the donors whose gifts make A.L.L.'s success possible. This month, thanks to an anonymous benefactor, we'll once again host our **Celebration of Philanthropy Luncheon** to honor that spirit of giving.

So far this fiscal year, we've received **\$4,665** toward our **annual goal of \$25,000** by June 30, 2026. Your **tax-deductible donation**—no matter the size—will help sustain A.L.L. today and ensure our future for years to come as we proudly enter our **34th year of service**.

With your continued support, A.L.L. will keep serving a growing community of lifelong learners across the Saratoga region in 2026 and beyond. Thank you for being part of our story, for your commitment to learning, and for considering a gift to this year's fund drive.

With heartfelt appreciation,

Gerald Stulc
